Superintendent

Class of 1958:

During the bleakest days of World War II an American fighter pilot in England was about to take off for the Scandanavian Countries. Just before leaving, he was told by those just returning that the skies were black with enemy planes and that the weather was wretched. Upon hearing this, the true American that he was replied, "I am going anyhow. I have a mission."

So too it is with you. You have a mission. That mission is to give a little more to life than you receive. That mission is to leave the world a little better than you found it.

When you and millions more like you have accomplished your missions, the laws of the jungle will prevail no longer. We shall then have more good citizens for a world that is about to be earth bound no longer.

We bestow upon you our best wishes that you manage your lives well and that you accomplish your missions in life with joy and happiness. Good Luck!

C. A. Sherman

Principal

These are the years, by wisdom and prudence, through which you have built the principal foundations on which all your future depends.

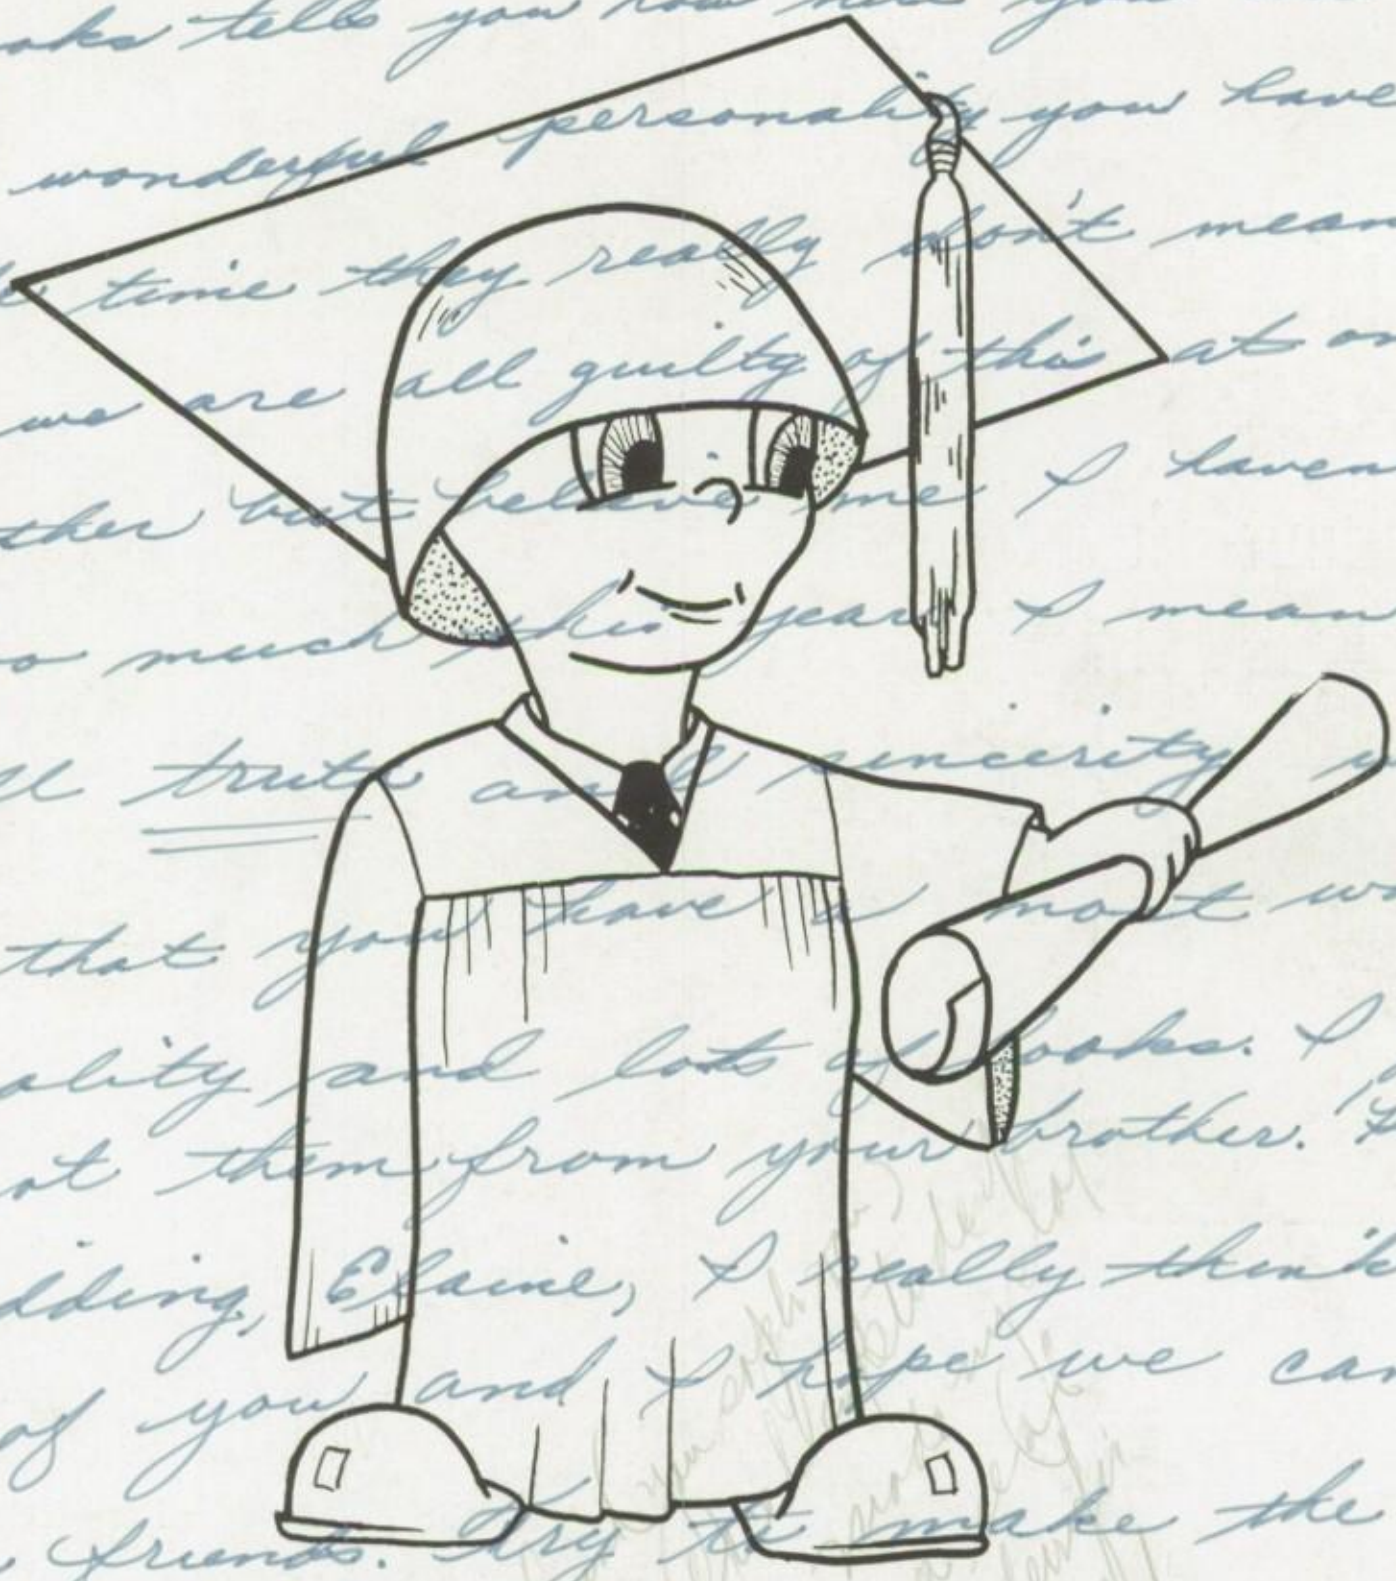
Elaine,

I will try not to mess up this page of yours too bad. I have known you since I first came to Brentwood and I must say we have had a lot of good times together. Everyone that writes in these books tells you how nice you are and what a wonderful personality you have and half the time they really don't mean it. I guess we are all guilty of this at one time or another but believe me I haven't done that too much this year. I mean it with all truth and sincerity when I say that you have the most wonderful personality and lots of looks. I guess you got them from your brother. Ha! Ha! No kidding, Elaine, I really think the world of you and I hope we can always remain friends. Try to make the best of the last two years because they are over before you know it. Lots of luck in your junior and senior year and after graduation.



Love,
Jeanie

We, the undersigned, being of sound mind and lasting memory, do hereby bequeath our possessions with the condition that throughout their continued use our memory shall linger on:

I, Janet Randall, will my dumb and feeble brain to any underclassman who is thick enough to misunderstand everything.

I, Paul Elphinstone, will the Gissy, Ladner, Onamastico, MacBurney, Krause, Elphinstone way with the women to Al Lawther.

We, Arlene Koegler and Dave Ray, will our editorships to anyone who wants to get up early enough to see the end of the late-late movie on television.

I, Bud Friedman, leave to any new student all the friendliness I have received in Brentwood High School.

We, Della Seger, Elaine Limburg, and Mary Ellen Bauer, leave our proficiency in physics experiments to anyone who is good at juggling figures.

I, Charlotte Clark, leave "The Clark Bar" to anyone who can find or create gossip in a hurry.

I, Mary Leggett, will the "Lost Chord" to Susan Shakely.

I, Amelia Weber, leave my job as managing editor of the Minaret to anyone who likes to manage a three-ring circus.

We, Carole Henkowsky and Margie Shea, will eternal peace to the Halls of Ivy and Mrs. Bell.

We, Jay Thomas and Barb Beggs, will our books of synonyms for headline writing to future Minaret editors with limited vocabularies.

I, Dave Ross, will the road to Jerry Fielder who drives as though he needs it.

I, Bobbie Ehland, give any girl the right to all the hair-pins Miss Corcoran removed from my kiss-me-curls.

I, Ed Young, leave my ability to get into trouble with math teachers to whoever has the intestinal fortitude to stand it.

I, Ray Tessmer, dedicate the testing of the boiler water downstairs to Ronald Miller.

I, Don Smith, will my extra feet and inches to Linda Howells.

I, Ron DeGenaro, leave the Castrodale, DeGenaro, "do nothing" attitude to Al Shademan.

Football

On August 18 the Brentwood football team embarked on their best season in four years. Under the new guidance of George Radosevich, who was ably aided by James Trovato and Sam Diaconis, the gridders started their rugged training grind.

The Spartans scored 13 touchdowns this year, 7 better than last year.

The team is going to feel the loss of the Seniors who are graduating. They are Dave Trudel, Dave Westerman, Paul Elphinstone, Bill Priore, Jack Fulton, Walter Coleman, Rich Ranallo, Gordon Takacs, Bob Burger, Ray Covato, and Nick Vitale.

Basketball

With the experience of four returning lettermen the Spartans won 7 of their first 9 games, but they were dealt a serious blow when Ron Butchley, who last year set a school record for total points, was declared ineligible. The 7 games they had won were forfeited. The team started into league play with an 0-9 record but played remarkably well under the handicap, ending the season with 7 wins and 15 losses.

Head coach, William P. Douglass, and assistant coach, James Trovato, stressed team work and fundamentals with the boys. The graduation of lettermen Paul Elphinstone, John Wilkinson, Bob Darling, and Bob Burger will be greatly felt in next year's line-up. Returning lettermen are Chuck Narvin, Gene Nicholson, Ed Miller, and Al Lawther.

Cross Country

This year's Cross Country team under the guidance of Coach Douglass claimed two wins out of their six meets. John Wilkinson, a senior, set the pace for the thin-clads this season. Considering the size of the squad, the record accomplished this year can be commended. The teams competed against this year were: Canonsburg, Central Catholic, Wilkinsburg, Hopewell, North Allegheny, and Taylor Alderdice. Those earning letters were seniors, John Wilkinson, Bob Darling, Bob Gasiorowski, Tom Tarker and Ray Tessmer. Others earning letters were sophomores Bob Mulhalan and Ray Espy.

Brentwood 40	.....	15 Canonsburg

Brentwood 32	.....	23 Wilkinsburg
Brentwood 17	.....	38 Hopewell
Brentwood 32	.....	23 North Allegheny
Brentwood 28	.....	30 Taylor Alderdice

Track

This year's track squad depends on returning lettermen—Dave Trudel, David Westerman, Gordon Takacs, Bob Gasiorowski, Bill Beile, Bob Rimmel, Richard Brown, and Phil Moses. There are some good prospects coming up from the lower grades this year. Especially George Steinbaugh shows great promise as a sprinter and will prove a great asset. This year's team, although it has eight returning lettermen, feels the loss of last year's graduates. The team is under the guidance of track coach, Rudolph Bruggeman, field coach, Donald Anderson, and track manager, Elwood Lamp.

Junior Varsity Basketball

The Junior Varsity team, coached by James Trovato, had an even season of 11 wins and 11 losses. This record was due to the losses of Ed Miller and Al Lawther who were moved up to varsity towards the end of the season. Next year's varsity can look forward to the services of Louie DeNardo, Bob Rimmel, Bob Brown and Bill Wilson.

Junior High Basketball

This year's team, coached by Mr. George Radosevich, has a record of 6 wins and 3 losses in league play. The team was sparked by its high scorer, Bob Henrich, who will probably move all the way up to varsity next season. Next year's Junior Varsity can expect the services of lettermen John Lawson, George Steinbaugh, Barry Huff, Jim Shannon and Dave Wolff Henrich will also receive his letter.

Dear Elaine,

I don't know if I could get everything on one page. I'm so glad I got to know you because it's really been something. You're really a true friend & I'm just sorry I didn't remember your birthday. You & Judy & I have really had some times to remember. Do you remember when we went bowling. I bet the boy remembers. He shaves & all the talks about different things - Even though I've only known you for a short time it seems much much longer. I hope that our friendship never ends. I wish I could explain how much it means to have a friend like you. I know I have been ignorant at times but I hope you can forget about them. But I hope you can forget about them. Your personality & looks will really help you get you in the da- school life.) Ha Ha. Only kidding. This summer should really be one to remember with us being together. I probably won't be able to see the kids as much this summer but I hope it doesn't change anything.

Remember the night we played golf!! Oh my gosh I'll never forget that. Or the time we made a recording on tape. Or the cute little jokes we exchanged. CONFUSIS SAY ------ Or the times we went to the dairy mart. I hope that there will be many more things for us to do together. I hope when we graduate we have more fun then than we are having

Claire,

Seein' that I'm the first one to write in your book, I don't know what to write.

I'm glad I got to know you a lot better this year, cause we really had fun. I've never met anyone who could roll their eyes and make faces out of everything like you.

Your really a doll, who'll go far in school, (Kenya writes that) but I mean it. If you don't soon get your driver's license, your learner's permit will expire, (you'll probably need more than one anyhow)

I hope we keep being friends like we are now. (we are aren't we?) We had fun in home room. You're the only one who loves up things. I guess I've said everything I called you. I see you everyday in school, If you keep on acting the way you do, no one can't help but like you. See you in school.
